

**Position: FACT and MCR Supervisor**

**Position Overview:** Provide clinical supervision to staff in two community based programs: FACT, (Family and Community Treatment) a home-based program partnering with families to strengthen their abilities and create lasting change; and MCR (Mobile Crisis Response) a 24-hour rapid response team for youth in Kalamazoo County facing a mental health crisis.

Assure the provision of quality service and contract compliance by managing and overseeing the day-to-day operation of the programs and activity of staff, both direct and administrative.

Provide clinical direction to staff; participate in On- call shift rotation as needed.  
Develop and strengthen working relationships with all stakeholders.

**Qualifications:** MSW/MA in a mental health-related field from an accredited school. Three to five year's related professional experience and/or training or equivalent combination of education and experience. LMSW, LLP or LPC in the State of Michigan; limited licensure considered. Prior supervisory experience preferred. CAADC licensure preferred.

Qualified candidate must have the ability to provide out-of-office service in a community setting in unpredictable situations; able to implement physical assistance and/or intervention.
